

THE PARTNERING CHARTER

JULY 24, 2013

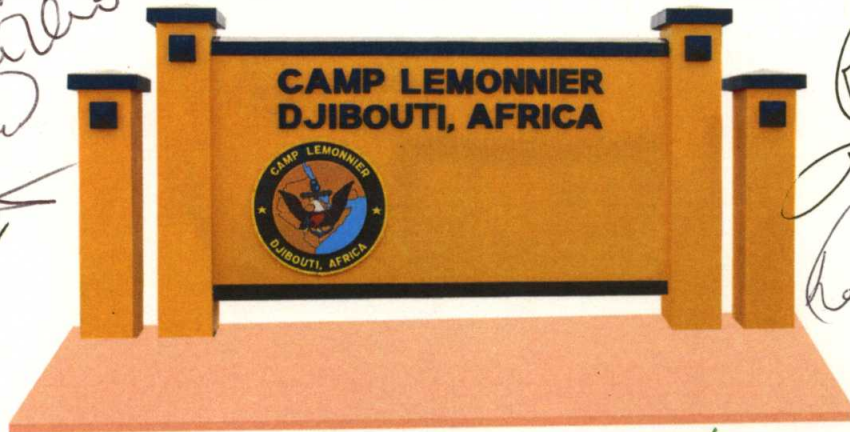

SIGNATURE OF COMBINED COMMITMENT
U.S Navy Expeditionary Base, Djibouti
Commander, Navy Region Europe, Africa, and SW Asia
Kellogg Brown & Root Services, Inc.

We, the government of The United States, currently domiciled in the Republic of Djibouti,
Together with the management of KBR
Committed to working together to ensure that the current Base
Operating Support Services (BOSS) contract remains successful and at an
'exceptional' level through open partnering and honest negotiations
With the single aim of keeping Camp Lemonnier mission ready.

Handwritten signature

We will maintain effective partnering relations by:

- Always have the best interest of Camp Lemonnier mission and personnel as a goal
- Promote SAFETY and quality as a way of life
- Establish among all partners a clear understanding of contract requirements
- Ensure we are vigilant stewards of our environment
- Actively addressing and resolving problems at the lowest functional level
- Establishing trust among all parties
- Maintaining open, honest, and timely communications
- Creating and fostering a "win - win" relationship
- Seeking ever closer integration
- Establishing a culture of understanding and collaboration
