THE PARTNERING CHARTER

March 6, 2019

SIGNATURE OF COMBINED COMMITMENT

Jacksonville Base Operating Support – NAS Jacksonville, BUMED and outlying areas supported by these commands

We, the government of The United States, together with JLL – Midnight Sun IFMS LLC are committed to working together to ensure that the current Jacksonville Base Operating Support (JBOS) contract remains successful and at an 'exceptional' level through open partnering and honest negotiations with the single aim of keeping NAS Jacksonville mission ready.

Do everything for the best interest of the NAS Jacksonville mission and personnel.

Establish among all partners clear understanding of contract requirements.

Cooperate to maintain a safe, successful, and environmentally sound program.

Be committed to processes that are clear and concise.

Maintain partnering relationship.

- Decision making at lowest responsible level.
- Establish trust among all parties.
- Refrain from "us" versus "them."
- Maintain open, honest communications.
- Understand roles and responsibilities.
- Common sense shall prevail.
- Maintain positive attitudes.

We are:

One Team, One Mission...

"Do It Right Today, Better Tomorrow"
