

# THE PARTNERING CHARTER

## MAY 1<sup>st</sup> 2012

### SIGNATURE OF COMBINED COMMITMENT

U.S. Naval Support Activity (NSA) Bahrain,  
 Commander, Navy Region Europe, Africa, and SW Asia  
 G4S Government Solutions

We, the government of The United States, currently domiciled in the Kingdom of Bahrain, together with the management of G4S are committed to working together to ensure that the current Base Operating Support (BOS) contract remains successful and at an 'exceptional' level through open partnering and honest negotiations with the single aim of keeping NSA Bahrain mission ready.

Always have the best interest of NSA Bahrain mission and personnel as a goal.

Establish among all partners a clear understanding of contract requirements.

Cooperate to maintain a safe, successful, and environmentally sound program.

Maintain partnering relationship:

- Establish trust among all parties.
- There is no "us" versus "them."
- Maintain open, honest communications.
- Understand roles and responsibilities.
- Common sense shall prevail.
- Seek ever closer integration
- Maintain positive attitudes.

We are:

One Team, One Mission...
